

The 7th Pixmore Open Junior Chess Tournament

The Pixmore Open is a friendly annual chess tournament for young people of school age. (The 2016 tournament saw 36 juniors playing across three sections.) It is an ideal introduction to junior tournaments.

Contestants are divided into primary and secondary sections. Depending on the range of experience, there may also be an elite group in the secondary section so that contestants meet other players of similar strength from the start.

The tournament consists of 5 rounds interspersed with training sessions delivered by experienced players from the Letchworth & Hitchin Chess Club. To end the day, some of these players will give simultaneous displays, encouraging all the family to join in the fun.

1981 British Chess Champion Paul Littlewood will be helping with some of the coaching for the top group and also playing the simultaneous chess against that group.

Likely schedule:

09.00	Registration and welcome	13.00	Round 3
09.30	Round 1	13.45	Third training session
10.15	First training session	14.15	Round 4
11.00	Round 2	15.15	Round 5
11.45	Second training session	16.30	Awards
12.15	Lunch	17.00	Simultaneous display
		18.00	End

During the day, parents and family are welcome to stay, using the school's dining area. Here teas, coffees and light snacks will be available from 10am, although we recommend bringing a packed lunch.

Playing junior chess in Letchworth

If you enjoy playing chess, then check out the Letchworth Junior Chess and Go Club which meets on Thursday evenings, term time only. For more information see: www.letchworth-go.org.uk

Is the tournament suitable for me?

If you have a firm grasp of the rules of chess, are prepared to play 'touch and move', have experience of your school chess club and, above all, are keen to improve your standard of play, then you should spend a happy day at the Pixmore Open.

To enter:

Complete the slip below, enclose entry fee (cheque payable to Letchworth Go Club) and return to:

SIGNED (parent / carer)

Receipt of your entry will be confirmed by email.

Send to: Alison Bexfield, 130 Wilbury Road, Letchworth, Herts, SG6 4JG

Additional details

Contestant details may be held on computer for the sole purpose of informing you of future junior chess events. Unless permission is specifically withheld, photographs taken during the day may be used on the Letchworth Junior Chess and Go club website.

The tournament will be paired as an accelerated Swiss tournament. This means that the more experienced players will meet each other earlier in the tournament and the less experienced players will meet players of their level from the start.

The top boards may use clocks but for most boards clocks will not be used, with adjudication being used to decide games if they have not completed within the playing time allocated for each round.

There will be trophies for the top players in each section. All players who participate in the five rounds will receive a souvenir from the day.
